**Attention Participants:** The G.T.G.A.A. is about to start the Fall/Early Winter Windmill Pitching and Catchers Warm-ups and Lessons. We will have warmup and introductory sessions in November and December. Pitchers will be categorized either Beginner I or II or Intermediate I or II, or Advanced A or B. The Winter Session will feature different class times starting in January and run until the end of February. The Early Spring Session will be March to early May.

We have a large number of girls who are requesting to attend the sessions. We hope to have additional facility space by January to allow for several time slots. **Only girls who show up with strong desire and dedication will be asked back to the future sessions.**

There is a \$5-10 fee for each lesson, depending on the class, times, and numbers. Fee will be collected in advance after first session. Lessons will be held mostly on Mondays or Wednesday evenings.

**All pitchers should have someone to catch for you. Bring your glove, no balls - NO HARD, OUTDOOR SOFTBALLS ALLOWED INSIDE.**
